Major terms of the Agreement are set out below.

(1) Date

28 January 2026

(2) Parties

Vendor : Generalvestor (HK) Ltd

Purchaser : Lam Yi Toi

The Directors confirm that, to the best of their knowledge, information and belief having made all reasonable enquiries, the Purchaser and the property agent and their respective directors and ultimate beneficial owners are all third parties independent of and is not connected person (as defined in the Listing Rules) of the Company.

(3) The Consideration

The Consideration is HK\$13,200,000, payable in cash.

The Consideration was determined after arm's length negotiation by reference to, among other things, the prevailing market price of properties in the same building and at nearby location and the preliminary assessment of the valuation of the Property conducted by an independent valuer using market approach as at 28 January 2026 in the amount of HK\$13,000,000. LETTER FROM THE BOARD

(5) Conditions precedent for the Disposal

As at the Latest Practicable Date, condition (ii) above had been fulfilled.

(6) Completion

Completion of the sale and purchase of the Property will take place on or before 27 March 2026.

(7) Information of the Property

The Property is located at Flat G on 45th Floor of Tower 10 Phase II (known as Le Point) of Metro Town, No. 8 King Ling Road, Tseung Kwan O, New Territories, Hong Kong with the saleable floor area of approximately 914 square feet. The Property is held as investment properties in the accounts of the Group as at 31 March 2025.

As at 31 March 2025, the audited net book value of the Property amounted to HK\$13,500,000.

FINANCIAL IMPACT OF THE DISPOSAL AND USE OF PROCEEDS

Taking into account the difference between the carrying value of HK\$13,500,000 at 31 March 2025 and the Consideration for the Property of HK\$13,200,000, and related expenses for the Disposal of approximately HK\$200,000, the Group expects to record a loss of approximately HK\$500,000 in the financial year ending 31 March 2026 as a result of the Disposal (before tax and subject to audit) and the monthly rental income will be decreased by HK\$32,000 upon completion of the Disposal.

Set out below is certain financial information of the Property for 31 March 2024 and 2025.

	For the year ended 31 March	
	2024	2025
	HK\$	HK\$
Revenue	360,000	360,000
Net profit/(loss) before tax	309,197	(494,086)
Net profit/(loss) after tax	309,197	(494,086)

The loss for the year ended 31 March 2025 was attributable to the decrease in fair value of HK\$800,000. There was no change in fair value for the year ended 31 March 2024.

LETTER FROM THE BOARD

The net proceeds, being the Consideration net of related expenses, arising from the Disposal are estimated to be approximately HK\$13,000,000. It is intended that the net proceeds from the Disposal will be used by the Group for the repayment of bank loans.

Save as disclosed above, the Disposal will not have any material impact on the earnings, assets and liabilities of the Group.

REASONS FOR AND BENEFITS OF THE DISPOSAL

The Group is principally engaged in (i) sales of internet of things (“IoT”) solutions; (ii) sales of mobile phones; and (iii) property leasing and related investment business.

The Directors are of the view that it is a good opportunity for the Group to dispose of the Property for the repayment of bank loans, reduction of the gearing ratio and the associated interest expenses, as well as for strengthening its financial position and believe that the terms of the Disposal are fair and reasonable and in the interests of the shareholders of the Company as a whole.

LISTING RULES IMPLICATIONS

As one or more of the applicable percentage ratios under Rule 14.07 of the Listing Rules in respect of the Disposal exceeds 25% but all of them are less than 75%, the Disposal constitutes a major transaction of the Company under Chapter 14 of the Listing Rules and is subject to reporting, announcement, circular and shareholders’ approval under the Listing Rules.

To the best of the knowledge, information and belief of the Directors, having made all reasonable enquiries, no Shareholder or any of their respective associates has a material interest in the Disposal, thus no Shareholder is required to abstain from voting for the resolution if the Company were to convene an extraordinary general meeting to approve the Disposal. Accordingly, pursuant to Rule 14.44 of the Listing Rules, written Shareholders’ approval may be accepted in lieu of holding a general meeting to approve the Disposal. The Company has obtained the written approval for the Disposal from Mr. Hubert Chan and Light Emotion Limited (a company owned by Mr. Hubert Chan and his wife, Josephine Liu), being the controlling shareholders of the Company holding in aggregate 85,219,029 Shares, representing approximately 54.7% of the issued share capital of the Company as at the Latest Practicable Date. As such, no general meeting will be convened for the purpose of approving the Disposal.

RECOMMENDATION

The Directors (including the independent non-executive Directors) are of the opinion that the Disposal and the terms of the Agreement (including the Consideration) are fair and reasonable and is in the interests of the Company and the Shareholders as a whole.

The Board of Directors
HKC International Holdings Limited
Block B, 14th Floor
Vita Tower
29 Wong Chuk Hang Road
Hong Kong

Dear Sirs,

In accordance with the instructions to us by the present management of HKC International Holdings Limited (hereinafter referred to as the “**Instructing Party**”) to value the designated real property (same as the word property in this report)) in which HKC International Holdings Limited (hereinafter referred to as the “**Company**”) and its subsidiaries (collectively, together with the Company hereinafter referred to as the “**Group**”) have interest in Hong Kong, we confirm that we have made inspection, enquiries and obtained such further information as we consider necessary to support our

findings and our opinion of value of the property as at 28 January 2026 (hereinafter referred to as the “**Valuation Date**”). We are given to understand our work product is for the Company’s internal management reference purpose and will be included in the Company’s circular for its shareholders’ reference. This valuation report comprises the text section and property particulars with value section.

We understand that the Instructing Party will incorporate our work product (regardless of form of presentation) as part of its business due diligence and we have not been engaged to make specific sales or purchase recommendations, or give opinion for any financing arrangement. We further understand that the use of our work product will not supplant other due diligence, which the Instructing Party should conduct, in reaching its business decisions regarding the property valued. Our work is designed solely to provide an independent valuation that will allow the Instructing Party to make an informed decision.

BASIS OF VALUE AND ASSUMPTIONS

In this engagement, we have provided our opinion of value of the property on market value basis. The concept of market value presumes a price negotiated in an open and competitive market where the participants are acting freely.

The term “Market Value” is defined by the HKIS Standards as “the estimated amount for which an asset or liability should exchange on the valuation date between a willing buyer and a willing seller in an arm’s length transaction, after proper marketing and where the parties had each acted knowledgeably, prudently and without compulsion”.

Unless otherwise stated, our valuation of the property has been made on the assumptions that, as at the Valuation Date,

1. the legally interested party in the property has free and uninterrupted rights to assign its relevant property interest for the whole of the unexpired terms as granted, and any premium payable have already been fully paid; and
2. the legally interested party in the property sells its relevant property interest in the market in its existing state without the benefit of a deferred terms contract, leaseback, joint venture, management agreement or any other similar arrangement which could serve to increase the value of the property interest.

Should any of the above not be the case, it will have adverse impact to the value as reported.

APPROACH TO VALUE

There are three generally accepted approaches in arriving at the market value of a property on an absolute title basis i.e. free to assign, transfer, let and mortgage, namely the Sales Comparison Approach (or known as the Market Approach), the Cost Approach and the Income Approach.

In assessing the market value of the property on “as-is” basis and subject to the existing tenancy, we have considered the market comparison method of the market approach and the term and reversion method (also known as investment method and sometimes this method also refers as market approach because the reversionary interests and the rate of return are market-derived). In assessing the term value, we considered the rent receivable from the existing tenancy agreement and a market-derived yield to discount the future rental income. In assessing the reversionary value, we have adopted the market comparison method in assessing the market value of the property interests after expiry of the tenancy. The underlying assumption of this method is that an investor will pay no more for the property than he or she would have to be paid for another property with an income stream of comparable amount, duration, and certainty. Our valuation conclusion is by summation of term value and reversionary value.

Unless otherwise stated, we have not carried out any valuation on redevelopment basis to the property and the study of possible alternative development options and the related economics do not come within the scope of our work product.

MATTERS THAT MIGHT AFFECT THE VALUE REPORTED

No allowance has been made in our valuation for any charges, mortgages, outstanding premium or amounts owing on the property valued nor any expenses or taxation which may be incurred in affecting a sale of the property. Unless otherwise stated, it is assumed that the property is free from all encumbrances, restrictions and outgoings of an onerous nature which could affect the value.

In our valuation, we have assumed that the property is able to be sold and purchased in the market without any legal impediment (especially from the regulators). Should this not be the case, it will affect the reported value significantly. The readers are reminded to have their own legal due diligence work on such issues. No responsibility or liability is assumed.

ESTABLISHMENT OF TITLES

We have conducted title searches on the property in the Land Registry of Hong Kong, and we have been provided with copy of tenancy agreement of the property. However, we have not inspected the original documents to verify ownership or to verify any amendment which may not appear on the copies handed to us. We are not legal professional and we are unable to ascertain the titles and to report any encumbrances (if any) that are registered against the property. No responsibility or liability is assumed.

In our report, we have assumed that the registered owner of the property has free and uninterrupted rights to occupy, to transfer, to mortgage or to let its relevant property interests (in this instance, an absolute title) for the whole of the unexpired terms as granted, free of all encumbrances, and that there would have no legal impediment (especially from the regulators) for the registered owner to continue the legal titles of the property. Should this not be the case, it will affect our findings or conclusion of value in this report significantly. The readers are reminded to have their own legal due diligence work on such issues. No responsibility or liability is assumed.

INSPECTIONS AND INVESTIGATIONS OF THE PROPERTY

We have inspected of the property and relied on the information provided by the Instructing Party on the interior condition of the property in respect of which we have been provided with such information as we have requested for the purpose of our valuation. The property was inspected by Mr. Phil Leung in February 2026. We cannot express an opinion about or advise upon the conditions of the property and our work product should not be taken as making any implied representation or statement about the conditions of the property. No building survey, structural survey, investigation or examination has been made, but in the course of our inspection, we did not note any serious defects in the property inspected. We are not, however, able to report that the property is free from rot, infestation or any other structural defects. We assumed all usual main services of water, electricity, telephone and drainage are provided to the property. No tests were carried out to the services (if any) and we are unable to identify those services either covered, unexposed or inaccessible.

Our valuation has been made on the assumption that no unauthorised alteration, extension or addition has been made in the property, and that the use of this report should not be used as the building surveys of the property. If the Instructing Party or any party interested in the property wants to satisfy themselves for the condition of the property, they should obtain a surveyor's detailed inspection and report of their own.

We have not carried out on-site measurements to verify the correctness of the floor areas of the property, but have assumed that the floor areas shown on the documents and official floor plans handed to us are correct. All dimensions, measurements and areas are approximations.

Our engagement did not include land survey to verify the legal boundaries and the exact locations of the property. We need to state that we are not in the land survey profession, therefore, we are not in the position to verify or ascertain the correctness of the representation of the Company's personnel with regard to the legal boundaries and locations of the property. No responsibility is assumed in this regard.

SOURCES OF INFORMATION AND ITS VERIFICATION

We have relied solely on the information provided by the Instructing Party or appointed personnel of the Company and have accepted advice given to us on such matters as planning approvals or statutory notices, easements, tenure, occupation, lettings, rental, site and floor areas and all other relevant matters.

When we adopted the work products from other professions, external data providers and/or the Instructing Party or appointed personnel of the Company in our valuation, the assumptions and caveats adopted by them in arriving at their opinion also applied in our valuation. The procedures we have taken do not require us to examine all the evidences, like an auditor, in reaching at our opinion. As we have not performed an audit, we are not expressing an audit opinion in our valuation.

As at the Latest Practicable Date, we are unable to identify any adverse news against the property which may affect the reported value in this report. Thus, we are not in the position to report and comment on its impact (if any) to the property. However, should it be established subsequently that such news did exist at the Valuation Date, we reserve the right to adjust the value reported herein.

We are unable to accept any responsibility for the information that has not been supplied to us by the Instructing Party or appointed personnel of the Company. Also, we have sought and received confirmation from the Instructing Party or appointed personnel of the Company that no material factors have been omitted from the information supplied. Our analysis and valuation are based upon full disclosure between us and the Instructing Party of material and latent facts that may affect the valuation.

To the best of our knowledge, all data set forth in this report are true and accurate. Although gathered from reliable sources, no warranty is made nor liability assumed for the accuracy of any data, opinion, or estimates identified as being furnished by others which have been used in formulating this report.

We have had no reason to doubt the truth and accuracy of the information provided to us by the Instructing Party or appointed personnel of the Company. We consider that we have been provided with sufficient information to reach an informed view, and have had no reason to suspect that any material information has been withheld.

Unless otherwise stated, all monetary amounts are in Hong Kong dollars (“**HK\$**”).

OPINION OF VALUE

Based on the above information and assumptions, we are of the opinion that the Market Value of the property for the Company’s internal management reference purpose as at the Valuation Date in its existing states and assuming free of all encumbrances, was in the order of **HONG KONG DOLLARS THIRTEEN MILLION ONLY (HK\$13,000,000)**.

LIMITING CONDITIONS

Our opinion of value of the property in this report is valid only for the stated purpose as at the Valuation Date and for the sole use of the Instructing Party or the Group. No responsibility is taken for changes in market conditions and no obligation is assumed to revise the report to reflect events or conditions which occur subsequent to the date hereof.

The report is prepared in line with the requirements contained in Chapter 5 of the Listing Rules as well as the reporting guidelines contained in the HKIS Standards. The valuation has been undertaken by us, acting as external valuer, qualified for the purpose of the valuation.

Neither we nor any individuals signing or associated with this engagement shall be required by reason of this engagement to give further consultation, testimony, or appear in court or other legal proceedings, unless prior specific arrangements have been made.

In no event shall we be liable for consequential, special, incidental or punitive loss, damage or expense (including without limitation, lost profits, opportunity costs, etc.), even if it has been advised of their possible existence.

The Instructing Party and the Company are required to indemnify and hold us and our personnel harmless from any claims, liabilities, costs and expenses (including, without limitation, attorney's fees and the time of our personnel involved) brought against, paid or incurred by us at a time and in any way based on the information made available in connection with our work product except to the extent that any such losses, expenses, damages or liabilities are ultimately determined to be the result of gross negligence of our engagement team in conducting its work. This provision shall survive even after the termination of this engagement for any reason.

Moreover, we will add the Company's information into our client list for future reference.

We hereby certify that the fee for this service is not contingent upon our conclusion of value and we have no significant interest in the property, the Group or the value reported.
